

## Decision Tree – CMHA Kenora Procedure when staff report exposure or symptoms of COVID-19: VACCINATED STAFF

Canadian Mental  
Health Association  
Kenora  
Mental health for all

Association canadienne  
pour la santé mentale  
Kenora  
La santé mentale pour tous

### SCENARIO 1: No Symptoms & Possible Exposure

Staff report no symptoms of COVID-19, and have a history of possible exposure to COVID-19 in the last 5 days

SELF MONITOR

**Request that the staff member self-monitor their symptoms using the COVID-19 screener daily for the next 5 days**

- Staff are required to self-screen at home before the start of each shift.
- Staff can go about their normal day but need to avoid crowded places and increase their personal distance from others whenever possible.

**Request that staff notify Team Lead of any changes in symptoms**

- If staff reports they are experiencing symptoms, proceed to one of the other scenarios.

### SCENARIO 2: No Symptoms & Possible Exposure Due To Travel Or Close Contact With Someone Diagnosed with COVID-19

Staff report no symptoms of COVID-19 and have a history travel outside of Canada or close contact with someone diagnosed with COVID-19

SELF ISOLATE

**Request that the staff member immediately self-isolate for the next 5 days**

- Staff can continue to work remotely if they are able to.
- Contact the NWHU at 1-800-830-5978, report to Team Lead for next steps

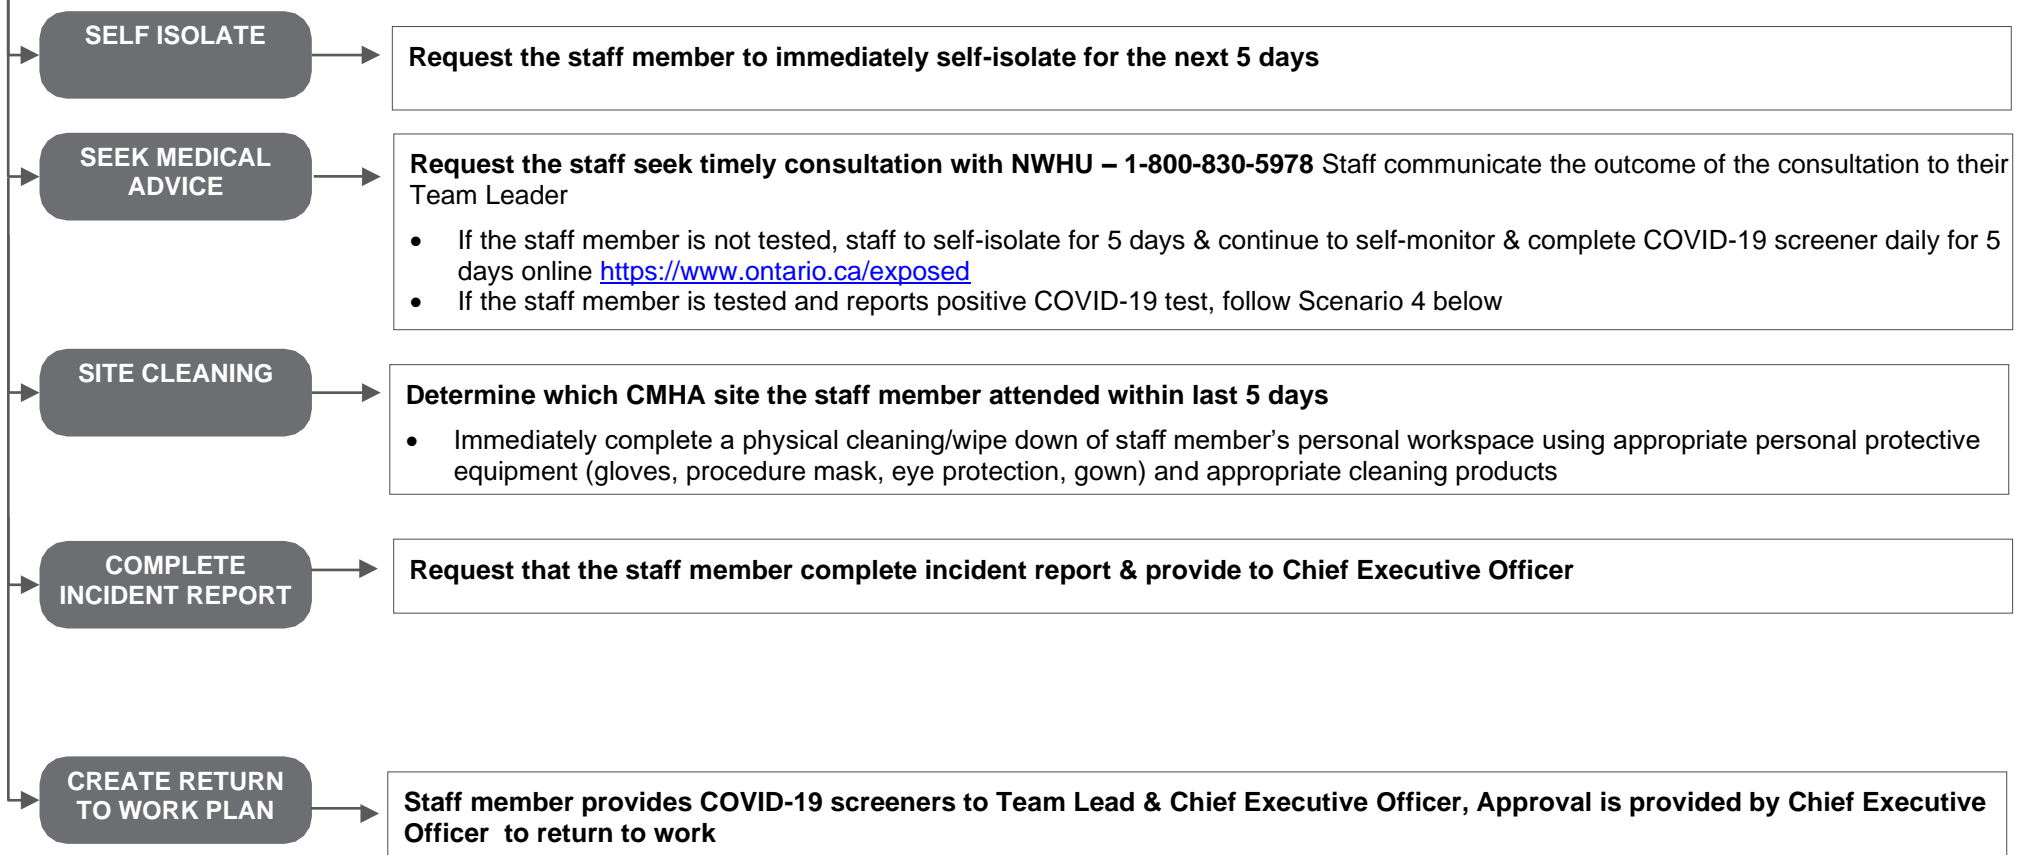

SELF MONITOR

**Request that the staff member self-monitor their symptoms using the COVID-19 screener daily for the next 5 days**

- Report to Team Lead daily the results
- If staff reports they are experiencing symptoms, contact the NWHU at 1-800-830-5978
- Complete online Screener <https://www.ontario.ca/exposed>

## SCENARIO 3: Symptoms & Possible Exposure

Staff report symptoms of COVID-19, and have a history of possible exposure to COVID-19 in the last 5 days. It is not confirmed by a positive COVID-19 test that the person they were exposed to has COVID-19 or it is not known where/when

## SCENARIO 4: Symptoms & Positive COVID-19 Test or confirmed Exposure

Staff report symptoms of COVID-19, and have tested positive for COVID-19 OR

Staff report symptoms of COVID-19 and someone they have had close contact with has tested positive for COVID-19 in the last 5 days
